SELF CATERING (not exhaustive list)

The Tourist Office is only an intermediary. For prices or bookings, you must directly contact the owners. The tourist offices of Brittany have signed a quality charter concerning furnished lodgings. This rating can be identified by the label "CLEVACANCES". There are three categories : 3 keys (very comfortable), 2 keys (comfortable), 1 key (simple but decent). These rated furnished lodgings offer you a certain number of guarantees in respect to renters: contract, detailed account of the premises, control for those furnished lodgings which have not yet been subject to Clévacances rating.
