

## Events « sur mesure »

To whom it may concern :

Based in La Trinité sur Mer, Patricia and Nathalie created “Jour de Fête en Bretagne”, in order to manage sport logistics specialised in nautical events.

“Jour de Fête en Bretagne” can suggest, find and book different types of accommodations (hotels, B and B, house or car rental and “gites”....).

We organize restaurants booking, cocktail, lunch or diner parties, boat supplying and give every competitor the possibility to enjoy his stay in La Trinité Sur Mer.
